

# Scottish Islands Peaks Race

## *Runners Entry Form 2022*

### ***15<sup>th</sup> April 2022 Deadline for Entry***

Please enter us as Runners for the Scottish Islands Peaks Race, which starts at midday on Friday 20th May 2022. We agree to abide by the rules and race instructions. We understand that we will be asked to sign a final Disclaimer when we arrive at Registration agreeing to abide by the Race Rules, and that we have the specified necessary experience.

The mountain weather can be severe so we understand and agree that all runners have the suitable experience of mountain safety and navigation in addition to running ability. For example: completion of either the Mull or Jura legs of a previous race; a Long Category A Hill race; a Mountain Time Trial; a Mountain Marathon or an accredited Mountaineering Course. Equivalent experience may be acceptable (please provide full details overleaf including the dates when races completed)

The rules require each runner to wear or carry **mandatory** minimum equipment. A full list of the required Kit and Race Rules are available on our website [www.scottishislandspkrsrace.com](http://www.scottishislandspkrsrace.com)

Apart from the Youth Teams who may have more, the crew must be five strong including at least 2 experienced runners. Many teams carry mobile phones on the hill. These are useful in emergencies and can also help ensure that the yacht is ready to leave immediately on your return.
